All Corporate Patron levels are non-refundable and non-transferrable. Bronze, Silver, Gold, and Platinum investments may be billed quarterly. Patronships last one calendar year, running January 1 through December 31. Basic level payments must be paid in full prior to receiving any benefits. Bronze level or higher must either pay in full or pay the first quarter payment before benefits start. If a quarterly payment is more than 30 days late, benefits will be suspended until payment is received.
